We're Going Mobile!

August 10th, *we'll be checking in with a new software package.*

Three Steps for Parents:

Starting August 10th, We will be requiring all parents to check in their children with the Safely Stow app. Safely Stow is a free app, available on the iOS and Google Play app stores. You will need to follow these easy steps to get started:

1. Download the Safely Stow app from the Apple or Google Play Store.
2. Open the app, create an account and validate your email. Use our facility code:

   enteryourcodehere
3. Create your child records.

You can go to about.safelystow.com/parents to watch the tutorial video.
